

Potential Alternate Calendar April 23- June 30 2026- 3-9 weeks

Keeping in mind the existing fuel crisis and increased costs of living, we propose using Zoom or nearby venues for our events. Tuggerah Meeting room 2 has a TV screen, so bring cords to plug in your laptop as needed. Lake Haven Library also has the same set up, with a portable screen. These venues are being offered to us for free. I have been asked to pray for the best and plan for the worst time frame. We will get regular updates from the contractor.
